**RESCISSION OF PREVIOUS NON-PUBLISHED REQUEST**

A request that the above-identified application not be published under 35 U.S.C. 122 was requested with the filing of the application pursuant to 35 U.S.C. 122 (b)(2)(B)(i).

When filing the application, the non-publication box was inadvertently checked on the utility transmittal form. We just now realized this mistake and are taking immediate action to correct this problem. Applicant's application claims priority to an earlier Korean application filed on January 9, 2003 as application no. 10-2003-0001330, therefore, we should not have requested that this application not be published. Applicant respectfully requests the Patent Office rescind the request for non-publication.

If any fees are due as a result of this request, please charge Deposit Account No. 19-0513. The examiner is invited to telephone the undersigned if this would in any way advance the prosecution of this matter.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Mail Stop PG Pub, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, or facsimile ((703) 305-8568 transmitted to the U.S Patent and Trademark Office
